SUPPLEMENT

1. Various sources have stated independently that the Rumanians have offered gold valued at 30,000,000 Swiss francs in the impending Rumanian-Swiss trade agreement. The gold is said to be of German origin. The Swiss National Bank refused to buy the gold outright, but will probably accept it as collateral.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1973 from the Director of Central Intelligence to the Archivist of the United States.
